

TEEN LEGO MINIFIG JUNE PHOTOGRAPHY CHALLENGE

Find the Rules and how to submit online at cranberrylibrary.org

Photography
Contest

ALL YOU NEED

- A digital camera or smartphone
- Some Lego minifigures
- A location e.g. the woods, the garden, a table top, the beach
- Some random household objects
- And lots of imagination!
 - This Photography contest does require the use of a lego minifigure. If you do not have one to use, reach out to Miss Janae the Teen Librarian to borrow one from the library.

TIPS AND TRICKS

- Turn your minifig into a real person by playing around with the way they stand. Try turning their head, or putting their arm out.
- Imagine what the world looks like if you're 1.5" tall.
- The Great Outdoors is a great place to find natural props and situations.
